WALKER'S DAHLIA GARDENS

North Dighton, Mass., January, 1925.

Dear Customer and Friend:—

Having in stock a large supply of 1924 Catalogs, I have decided not to issue a large, General Catalog this Spring. As this means a large saving in cost to me, I am making these liberal revised prices on this circular to apply to my 1924 General Catalog to take effect January 15, 1925. If you have lost or destroyed and wish another of these General Catalogs, a copy will be mailed on request.
